

Scholarships for Wish Recipients

On behalf of The Rainbow Connection's Board of Directors and Scholarship Review Team we thank you for your interest in our College scholarship Program. The Rainbow Connection is honored to support our wish children as they proceed on to life's many challenges and rewards. Certainly these children have a wisdom and strength we can all learn and grow from. What better way to honor them than to lend a helping hand in furthering their education.

Awards may be used to cover tuition, fees and books at any post-secondary institution, including technical schools, vocational schools, junior colleges and four-year colleges or universities. (At this time, our scholarship awards are not available to graduate students.)

The \$1000 scholarship is paid directly to the institution selected by the recipient.

Our scholarship program is funded exclusively by donations to the program. If you would like to make a contribution to supporting the higher education of Michigan children diagnosed with life threatening illnesses simply designate a donation to the program and you too will feel the magic of helping these terrific kids!

Eligibility, Guidelines and Application Requirements for Recipients

Dear Scholarship Applicant,

The purpose of The Rainbow Connection Scholarship Program is to support the educational goals of our wish recipients. The scholarship amount is \$1000. You can receive the scholarship for up to four years but you will have to reapply each year.

Each year The Rainbow Connection awards a minimum of two scholarships. The number of scholarships is dependent upon the availability of funding. You are all winners in our eyes and we would like to give the scholarship to every wish child who asks for it. If you do not receive the scholarship please give us the chance to provide one to you next year! We are working hard to build the scholarship fund and are confident, with help from our supporters, the number of scholarships and the amount of scholarships will increase over time.

Please find below the scholarship guidelines and application. Of course, you are encouraged to give us a call at 248-601-9474 or toll free at 877-MI-WISHES if you have any questions.

Most sincerely,

Your friends at The Rainbow Connection
