2018 Impact Report
Our Mission

The Rainbow Connection makes dreams come true for Michigan children with life-threatening medical conditions. In addition, we provide support services to our wish families experiencing financial difficulties.

Liam wished to meet his favorite celebrity, Mark Wahlberg! Liam’s smile says it all!

2018 Initiatives

MEET KAI!
In 2018, we introduced our new mascot, Kai. Wish children were asked to name the stuffed lion, who symbolizes courage. After the names were put to a social media vote, Kai came out the winner. Kai has several meanings, including warrior, recovery and victory making him a perfect companion for our brave wish children.

Kai lions can be purchased on our website, and are gifted to each of our wish children. To purchase a Kai lion, or sponsor one for a wish child, visit rainbowconnection.org

SCHOLARSHIP BREAKFAST
Board Members, Dave LewAllen and Kevin Schnieders, led an initiative to honor our scholarship recipients and raise funds for the scholarship program.

In 2018, 17 scholarships were awarded to wish children continuing their education beyond high school. Each of these $1,000 scholarships was funded by our first annual Scholarship Breakfast.
Abigail wished to go to the premiere of Dancing with the Stars.

“Abby was diagnosed with Leukemia in 2017. Shortly thereafter we were introduced to The Rainbow Connection. The entire wish process created a night we will never forget. Abby was so excited that all of the celebrity dancers took time to talk to her and make her feel special.”

Thank You, Mr. Patterson

On May 9, 1980, Ron Dobson and his two children, Tim and Jennifer, tragically died in a plane crash. Ron’s wife, Janet, was critically injured. In August of that year, Oakland County Executive, L. Brooks Patterson, and other dear friends held a memorial golf outing to raise funds in honor of Tim and Jennifer.

“Out of that tragedy, I wondered if something positive could be created to remember these kids,” shares Mr. Patterson.

That humble beginning has evolved into what is now The Rainbow Connection, dedicated to granting wishes for Michigan children with life-threatening illnesses. Janet Dobson remains on the Board of Directors.

Since 1985, we have made dreams come true for over 3,500 children. Mr. Patterson continues, “Not many people get to start something like The Rainbow Connection. It has been around for more than 34 years, and I know it will be around for a long time to come. I’m very proud of that, proud of the longevity.”

Volunteer of the Year, Dennis Costa

2018 Volunteer of the Year, Dennis Costa’s first Rainbow Connection event was our 2016 Wish Picnic. He shared that he was “hooked” as he saw “the sheer joy on the faces of the kids and their families.”

“My favorite experience took place at the Family Holiday Party while helping to get Santa ready for all the family photos. We had a wonderful visit from a little friend and wish child named Panda. It is hard to find words to accurately describe the sheer amazement, joy and love she expressed as she visited with Santa. Her mother used sign-language of ‘blowing my mind’ to express Panda’s thoughts. Panda returned several times, insisting on waiting in line to visit her friend, Santa, tugging at all of our hearts!”

Dennis has been married to his wife, Margie, for over 50 years. He has four sons and eight grandkids ages 3-19. He loves to share special times with his grandchildren including trips to the lake, bowling, sporting events, and yes, even shopping with the girls! Dennis is retired from Penske Automotive Group and volunteers at a number of organizations. We are honored to name Dennis our Volunteer of the Year and are very grateful for all he does to help support our mission!
"The back of any man can be broken. Any single life can be gone in the blinking of an eye. But when a noble idea is joined by the belief and faith of thousands, then that idea is elevated, like a prayer, to a place where it cannot be harmed."

- Henri Landwirth, Founder of Give Kids the World

I have been witnessing this for the past two years. The Rainbow Connection is stronger with each person and company that joins our cause. This was ever so true in 2018. Those that continue to stand by us represent a unity of hope for our wish families that cannot be shattered. Every act of kindness, every service and every dollar donated sets off its own series of unforeseen ripples.

As you read through this report, be aware of how many people are impacted by reaching out to help a sick child. Parents, doctors, social workers, hospital volunteers, individuals fundraising and corporations donating, not to mention the TRC Board members and staff all play a huge part. Multiply this by the friends and relatives of the child, school classmates and teachers, and you quickly get a picture of how much this world cares. The progression of lives touched goes far beyond our comprehension.

With your help, TRC stands at the ready to help these Kids by making their Wishes come true and inspiring Hope for the future!
